The image shows a trade show booth for Dynamic Electric, Inc. The main backdrop features a large 'D' logo with a stylized 'E' inside, set against a white silhouette of a city skyline on a blue background. Below the logo, the text 'DYNAMIC ELECTRIC, INC.' is displayed in blue and black. To the left, a tall vertical banner also displays the company logo and name. In the foreground, a large white tote bag with a blue and white geometric pattern features the company logo and a list of services. To the right, a black display rack holds several brochures, and a curved banner at the bottom right shows a photo of a man working and the text 'EXCELLENT PERSONNEL'. The booth is set up on a red carpet in a large exhibition hall with other booths visible in the background.

REGAL BUILDING

The image shows a trade show booth for Regal Building, located in a large convention hall with a high ceiling and industrial lighting. The booth is constructed from white modular panels and features a prominent blue header with the company name in gold lettering. Inside the booth, various interior design samples are displayed, including a large white marble-patterned panel, a dark grey door, and a wooden dining table with chairs. A display rack with numerous small material samples is positioned in the foreground. The floor is covered in blue carpeting, and the background shows other exhibition areas and structural elements of the hall.
